---

### **Education**

Ph.D. in Mathematics and Atmospheric and Ocean Sciences, 2010  
Courant Institute of Mathematical Sciences, New York University, New York, NY

M.S. in Applied and Computational Mathematics, 2005  
Instituto de Matematica Pura e Aplicada (IMPA), Rio de Janeiro, Brazil

B.S. in Civil Engineering, 2003  
Universidade de Sao Paulo, Sao Paulo, Brazil

### **Appointments**

Research Physical Scientist, Physical Sciences Laboratory, NOAA, 2019-present

Research Scientist, Cooperative Institute for Research in Environmental Sciences (CIRES),  
University of Colorado at the NOAA Physical Sciences Laboratory, Boulder, 2013 - 2019.

Post-doctoral Fellow, NOAA Earth System Research Laboratory, Boulder CO (National Research  
Council Program & CIRES Postdoctoral Visiting Fellowships), 2010-2013

### **Professional Activities**

US Climate Variability and Predictability Program (CLIVAR): member of Process Study and Model  
Improvement Panel (2023-2026)

NOAA Seasonal Forecast System Development Plan: team member (2023)

NOAA Office of Oceanic and Atmospheric Research (OAR) CPO/MAPP Marine Ecosystems Task  
Force: co-lead (2020-2023)

AGU Journal of Advances in Modeling Earth Systems: Associate Editor (2018-2023)

Program chair for the American Meteorological Society (AMS) 8th & 9th Symposium on the  
Madden-Julian Oscillation and Sub-Seasonal Monsoon Variability (2020, 2021).

ATOMIC PSL NOAA Weather briefings organizer during the field campaign (Jan/Feb 2020)

AMS Conference on Atmospheric and Oceanic Fluid Dynamics (AOFD): committee member (2012  
- 2019) and meeting organizer (2017 & 2019)

National Research Council (NRC): member of the review panel for the NRC graduate postdoctoral  
and visiting scientists' fellowships (2015 - 2019)

Research Experience for Community College Students (NSF EAR #1757930): mentor for  
community college students (2017 – 2019)

Significant Opportunities in Atmospheric Research and Science (NSF #1120459): mentor for  
summer undergraduate students that are under-represented in sciences (2016-2017)

AMS Monthly Weather Review: Associate Editor (2013-2016).

### **Diversity and Inclusion Activities**

NOAA OAR Diversity and Inclusion Advisory Committee (ODIAC): member (2020-2023)

AMS AOFD Inclusion and Diversity Happy Hour organizer (2019)

AMS AOFD Women's luncheon organizer (2017)

### **Honors and Awards**

NOAA OAR EEO/Diversity Award for Exemplary Service with the OAR Diversity and Inclusion Advisory Committee (ODIAC), 2022

QJRMS Editor's Award in recognition of a significant contribution to the journal or editorial process, 2014

National Research Council Research Associateship Award, 2011-2013.

Cooperative Institute for Research in Environmental Sciences Visiting Fellows Program, 2010-2011.

Dean's Dissertation Fellowship, NYU Graduate School of Arts and Sciences, 2009-2010.

Outstanding Oral Presentation, 17th Conf. on Atmospheric and Oceanic Fluid Dynamics, 2009.

Henry MacCracken Fellowship, NYU Graduate School of Arts and Sciences, 2005-2008.

IMPA Graduate Research Fellowship, Master Fellowship from CNPq (Brazilian Governmental Agency), 2003-2004.
